## **DETAILED TOUR PROGRAMME**

Day 1 DALAMAN, KAYAKOY LYCIAN WAY (Kayaköy - Ölüdeniz Route)

Meeting at 09:30 at Dalaman Airport for the Lycian Trail Tour and we go to Kayaköy (Karmylasoss) by transfer bus.

Those who settled in the settlement where the Greeks lived until the population exchange in 1922 after that date left because it was not suitable for their lifestyle. For this reason, the roofs and weak parts of the houses collapsed due to neglect over time, but the houses remained standing. And now Kayaköy, which is a kind of open-air museum and protected area, will be the starting point of our walking track with its unique visuality. First, we visit and photograph the interior of Kayaköy, the part of the Church. After about 1 hour here, we ascend towards the west side of the village for our walk to Ölüdeniz. The path generally passes through the forest. After walking a few kilometers, we start to see the view of Ölüdeniz. And our walk ends at the bay. On tours during the sea season, we can go to one of the beaches of Ölüdeniz or Kıdrak and enjoy the sea.

After completing a wonderful first day hike of 7 km, we settle into our hotel in Faralya.

*Trekking route distance: 7 km (350 m ascent / 300 m descent)*

*Estimated trekking time: 3,5 hours*

*Accommodation: Fethiye Faralya (Bungalow)*

*Meal: Dinner included*

DAY 2 /// LYCIAN WAY (Ovacık-Babadag-Faralya Route)

After breakfast, we arrive at Ovacık with a short transfer. (let's say where we left off on the first day). Our 12,5 km walk is decorated with a magnificent view of Ölüdeniz and Babadağ, following the Ancient Roman road. Especially the parts of the path where Ölüdeniz Bay is seen, "Should I look where I step or the view?" as beautiful as you would think. There is very little water supply on the trail, so bring plenty of water with you. We start from Ovacık and descend to the foothills of Babadağ and from there to Faralya Village, which is located above the Butterfly Valley.

*Trekking route distance: 12,5 km (800 m ascent / 570 m descent)*

*Estimated trekking time: 6 hours*

*Accommodation: Fethiye Faralya (Bungalow)*

*Meal: Breakfast and dinner included*

DAY 3 /// LYCIAN WAY (Alince Village - Gey Village Route)

After breakfast, we leave the hotel and take a very steep climb to the village of Altınca, located at 650 meters. The 8 km first stage is one of our favorite routes. It's a little harsh, but still beautiful. When we arrive at Alince, we take a short break and set off for the second part of the trek, the Gey Village, with a short vehicle transfer.

This 5 km track is of great beauty with its Mediterranean view, bays and village life away from tourism, which is always on our right.

After the walk back to the hotel at Faralya village.

*Trekking route distance: 13 km (600 m ascent / 510 m descent)*

*Estimated trekking time: 6 hours*

*Accommodation: Patara Flower Pension*

*Meal: Breakfast and dinner included*

DAY 4 /// LYCIAN WAY (Faralya-Kabak Bay Route)

After breakfast, we start our walk towards Kabak Bay. The walk we will take to Kabak Bay, one of the most beautiful bays of Fethiye, is decorated with exquisite nature views and possible to see also Butterfly Valley view from top.

At the same time, we can see the traces of the village life, although our walk ends around 3 hours and then transfer to the restaurant which has nice sea view. Lunch break and changing clothes.

After lunch break we go to Fethiye city center and visit King Tombs.

Then transfer to Dalaman Airport. Arriving time to the airport is around 19:30 and end of the tour.

*Trekking route distance: 6,5 km (310 m ascent / 420 m descent)*
